# HAPPENINGS

*Meetings are held on the 2<sup>nd</sup> Tuesday of the Month*

**September 2022**

## **PRESIDENT'S MESSAGE**

**Debbie Holden**

**513-400-7485**

Summer is almost gone, and fall is on the way. School has started so watch out for school busses and children waiting to be picked up. Always STOP when the bus has the sign out.

Most of you know the history behind the Auxiliary Emblem, but for those of you who don't, here is what the symbols on the Emblem mean: The Emblem is the Auxiliary's badge of distinction and honor. It stands for God and Country and the highest rights of man. It consists of several parts, and each part has a meaning. The rays of the sun that form the background stand for the American Legion Auxiliary principles of loyalty, justice, freedom, democracy and dispelling the darkness of violence, strife and evil. The unbroken circle of blue represents unity and loyalty. The field of white exemplifies the hope of Freedom. The star of blue is the emblem of service in war; it is no less the emblem of service in time of peace.

This is something I learned years ago, but every once in a while, need to remind myself why I'm a member of the Auxiliary – the best organization a woman/man can be a part of in this time of uncertainty.

Hope to see you soon.

Debbie

## LEGISLATIVE Chairman needed

Many of you are familiar with who to contact about the upcoming election- but since we will soon be facing a barrage of election ads... thought the following would be of service to all!

Hamilton County Board of Elections: 513.632.7039 -  
Clermont County Board of Elections: 513.732.7275

Please contact your board of elections for where to vote, the voting process, an absentee ballot or address changes.

The Ohio Secretary of State, Mr. Larose, oversees the legality and security of state elections; his phone number is 877.767.6446. He also a great comprehensive website! Other organizations have links for the voter to investigate:

ballotpedia.org, allows users to enter their address and see a sample ballot: opensecrets.org, details how money is raised and spent by candidates: vote411.org, is from the League of Women Voters, a nonpartisan organization which supports active participation in government, and votesmart.org, where you can enter a candidate's name and find out

their voting record, past speeches, and funding sources! Never take our freedom for granted... always exercise your right to VOTE!

## EDUCATION Sandy Pennington. 513-231-6697

A huge and sincere thank you to the ladies who brought multiple bags and boxes of school supplies for the children in the Mt. Washington area! We will be collecting these items in September too, so if you are shopping for them, please see me at our next meeting on **9/13/22!**

Children and Youth: I have heard from the brand-new contact person at Mt. Washington Elementary School, Nikki Marksberry. We had a great conversation and look forward to working together to see what programs or needs we can assist with in the coming school year. Also, I will be contacting Guardian Angels, Mt. Washington, and Sands Montessori schools, and ask if there are children of actively serving military families who we may help. I hope to have more information on that later this year. Thanks as always to all of you who support our children's programs
